March 12, 2018 Update

Recently I had an issue with my sewing machine and it had to go to the "doctor". I felt like a good friend was in the hospital. I can't go without sewing for a whole week so I drug out my trusty old backup sewing machine. It was funny…it seemed like I was reconnecting with an old friend that I hadn't seen in a while. I had a great time working on a couple of projects with that machine, but I must say I sure did miss my needle down, thread cutter, and automatic foot up and down feature. My good machine is now back and humming away beautifully. I guess I will just have to pack up my "old friend" till next time I need a backup. How many "old friends" do you have tucked away just waiting for you to reconnect with them?

March 12, 2018 Update

OPEN HOUSE

Karen—one of our staff members is retiring. Many of you know her as the face of Saturday Sampler and also one of the Thursday girls. We are sad to see her go but happy, too, as she and her husband will be starting a new adventure in their lives—traveling the country in their 5th wheel. To honor her 9 years of service and so you can all say good bye we will be hosting an open house in her honor on Sat March 24th from 10—3. Refreshment will be served, and just for fun we thought we might let you use your Flash Sale bags that day for a 20% discount on whatever you can get in your bag. Stop in and wish Karen happy travels, have some treats and get a discount too!

Speaking of our 5th Day Flash Sale, our other dates this month are Mar 29, 30, & 31. Bring your bag, or purchase one that day for $6, and receive a 20% discount on whatever you can stuff into it.
(Discount does not apply to Block of the Month kits, classes, or already discounted merchandise.)

We're still taking signups on our new Block of the Month called First Blush. This 13 month program costs $24.99 per month.

The first month you'll also purchase the book for $24.99 and Creative Grid's Starburst 30 ° Triangle Ruler which makes all these blocks a breeze.

We will be scheduling a short session on a Saturday to demonstrate how to use the ruler.

Come check it out and sign up soon!
