FABRICS YARN CLASSES NOTIONS STENCILS BOOKS PATTERNS

What a crazy busy time July was. We had a fantastic time at our Fiber Frenzy Retreat. Incredible bunch of talented girls attended and we had a blast. I even learned two new hobbies- yarn dying and spinning. Do I really need a new hobby? Probably not- but I'm quickly becoming addicted to spinning yarn. If you're interested put July 28-30th 2017 on your calendar for our next Fiber Frenzy Retreat. Now I look at my calendar and it's August. It's time to get busy and schedule some new classes. We have them ready for signups so check the end of this newsletter for the most current list. Be sure to get signed up for the Mosaic or the Pi Shawl as they are coming up quickly.

8-11-2016 Update

Some yummy new yarn has been arriving. It's so exciting to open the boxes to oohhhh and aaaahhh over them. In order to make room- some of our other lovelies had to be moved to the clearance section so stop in and check them out.

The Queensland Collection Rainbow Beach yarn is 100% Australian Superwash wool.

The colors of the Silky wool are so beautiful you will definitely want to get this started on a project right away (also known as "cast-on-itis").

Oh ya... I'm think a new shawl knitted with this Sunshine Coast is a must!

Do I need another pair of hand knit socks? With this new Nordlys Sock Yarn its awfully hard to say no.

Freedom Bound is a new Block of the month that will be starting in a couple months. The fabrics are really rich and pretty. I'm planning on starting on some blocks later this week.

Don't forget to reserve your 2016 Shop Hop fabric. It's going fast so you don't want to miss out. The Shop Hop t-shirts are here for sale. If you purchase one before Sept 1st you receive a free fat quarter of the shop hop fabric. Make a bag to carry all your purchases in and be the envy of all the other Shop Hoppers.

8-11-2016 Update

Congratulations to our Row by Row winner Debbie Rhodes. She won a bundle of 25 fat quarters for being the first one to turn in a completed quilt and a gift certificate for using our block.

It's never too early to get started on holiday sewing. This cute little Christmas project sews up quickly and could be finished up in an afternoon. Hang it up on a wire hanger and you have a great addition to your Christmas decorations.

Don't you love the rich colors of fall? We have some great fall fabrics that would be ideal for any cool weather sewing project. We have several striped fabrics that work up beautifully in the Easy Striped Tablerunner pattern.

This Fold and Stitch Leaf Topper is a cinch to make using the pre-cut Bosal Foam.

This Christmas panel will cut up beautifully into easy placemats and table runners. I can see 3 Christmas gifts in this one panel.

Need a really different gift for yourself or someone else? How about a USB desk fan? It connects right to the USB port on your computer.
